Positive Action Group

From the beginning of the first Coronavirus outbreak in China in late 2019, Dr. Alasdair Wylie and Dr. Andrew Atkinson have been highly responsible for implementing the UK government’s response to a unique situation - a pandemic of a totally new disease.

The Positive Action Group is delighted that both ministers have agreed to address one of their regular public meetings on Monday July 26th at the Manx Legion, Market Hill in Douglas, starting at 7:30pm.

Dr. Wylie and Dr. Atkinson will explain how the plans to manage and control the announcement were made and implemented. These plans affected everybody on the island and the Positive Action Group anticipate a lot of interest in this meeting.

Monday July 26th at the Manx Legion, Market Hill in Douglas, starting at 7:30pm.
Free Admission - Open to all
