Positive Action Group

From the beginning of the first Coronavirus outbreak in China in late 2019, the Government (MOH) and the World Health Organization (WHO) have been largely responsible for implementing the measures to control the spread of the virus. The WHO has been commended for its guidance in responding to a unique situation - a pandemic of a totally new disease.

The Positive Action Group is delighted that both ministers have agreed to address one of their major public meetings on Monday, 26th July at the Manx Legion, Market Hill in Douglas, starting at 7.30pm.

Mr. Arloft and Mr. Allenson will explain how the plans to manage and control the pandemic were made and implemented. The plans affected everybody on the Island, and the Positive Action Group anticipates a lot of interest in this meeting.

Monday July 26th at the Manx Legion, Market Hill in Douglas, starting at 7:30pm.

Free Admission - Open to all

The Positive Action Group aims to promote awareness and understanding of politics and citizenship on the Island.
