Hopefully you were at Monday evening's PAG meeting on the Common Purse Agreement. If not you may catch up with the arguments on [Manx Radio](#) (at the time of writing we don't have broadcast details but will link to it on their 'listen again' facility as soon as it is there).

Please take the time to vote on our poll below. It's necessarily fairly simplistic but feel free to comment further if you wish via our [guestbook](#) or write to us via [our contact page](#).
