a presentation by

Juan Watterson MHK

**7.30 p.m. Monday 31st January 2011 at the Manx Legion Club,
Market Hill, Douglas**

The Budget affects us all and this year's I O M Budget is the most important for years. It is the culmination of a process which started last May

In his presentation Juan Watterson M H K will explain where our money comes from and goes to, as well as the Budget process, and advise how we can interpret the information when it's made public in February.

He will also analyse the measures the Government has taken, in the past year, to adapt to a worsening economic position - where have cuts been made?

Juan Watterson, a Chartered Accountant, has been critical of the lack of public consultation when preparing the Budget and has proposed reform of the process.
