

PAG Public Meeting: Zero Base Budgeting presentation

Written by PAG

Monday, 27 January 2014 19:24 - Last Updated Monday, 27 January 2014 16:29

Many thanks to Kate Beecroft MHK for providing us with such a thoughtful presentation. If only the Government could move towards budgeting in this manner rather than 'they get the money because they always have'.

They should re-evaluate the effectiveness of their entire expenditure each budget.

Please find attached Kate's presentation in two formats: it's original Microsoft Powerpoint, and Acrobat PDF.
