Yes, it's that time of year again!

We'd like to thank all members for their invaluable support last year (and all those that kindly donated towards the expense of our public meetings). Your support has enabled us to put on many PAG events on a very wide spectrum of issues. All events were well attended, often with many politicians and civil servants in the audience. We hope you have enjoyed the meetings and are pleased at the way PAG has matured into a respected community voice.

To continue PAG needs your help.

Please renew your annual membership by sending the attached form to [the Treasurer](#) or by coming along to the next meeting

To save costs, please enter your e-mail address on your Renewal Form.

Please ignore this request if you have already renewed your membership.
