**Chris Robertshaw- □ the new MHK for Douglas East - takes his seat in Tynwald for the first time on Tuesday 15th June 2010. □ He won't be sitting long though because he will be on his feet with the opening questions of the day.**

### **Firstly he asks the Chief Minister about Freedom of Information:**

"In the light of Recommendation 1 of the Report of the Select Committee on the Report of Redress for Mr and Mrs Spadoni, whether the Chief Minister will now declare a firm date when he intends to introduce an Access to Government Information Bill?"

### **And then Question 2, not unexpectedly is:**

"What plans he has to conduct an urgent review of the layout and rules of both Proxy and Absent vote forms?"

Robertshaw will later ask 3 more questions about transport, motorcycle licensing and The Children Bill 2010.

**Not bad for a debutant and one who is committed not to join this present government.**
