

## Using Search

Written by PAG

Sunday, 31 January 2010 01:27

---

The search box is located at the top right-hand side of the screen.

---

Click on **search...** and type the word or words that you wish to search for (between three and twenty characters), then press **enter**.

The website will list all articles that include at least one of those words and in case you don't see what you are looking for, also displays an advanced search form. More details on advanced search will follow soon.
